

# Building Optimism

The optimistic view  
and pessimistic view  
are opposite.

## Optimism Squares

<b>Negative Event / Failure:</b>		
	<b>Optimistic View</b>	<b>Pessimistic View</b>
Who's fault/responsibility is it?		
How long will it last?		
How big a "deal" is it?		

<b>Positive Event / Success:</b>		
	<b>Optimistic View</b>	<b>Pessimistic View</b>
Who's fault/responsibility is it?		
How long will it last?		
How big a "deal" is it?
